Week 9	Friday, August 14 th	9:00-11:45

Note: The week nine program is our end of the year wrap up which includes a cookout for the kids after golf.

The Junior Club Championship is scheduled for August 21st from 8:00 to 10:00. Information on age divisions and format is available on the club website. As of the time of this printing, schedules for the Harrisburg Junior Golf Association have not been released. We will post these in the pro shop when they become available. Please take note that **junior clinics start at 8:45 sharp**. At that time we divide children into groups and begin with our weekly reminder on safety and start practicing. If you show up late your children will be put into whatever group is closest and result in them getting less out of the program. I realize things happen but we ask that you make every effort to be prompt for drop off and pick up. The Pro Shop staff will not be responsible for supervising children after the 10:15 pick up time. Thank you in advance for your cooperation.
